

Checklist for students

Thank you for signing up for the International Talent event!
Make the most of the event by considering the following points in advance.

What is corporate culture like in your home country?

- What is leadership culture like? Is it authoritarian (characterised by autocratic leadership), democratic (characterised by equality and dialogue) or something in between?
- What is the position of women like in working life? What are the tasks typically performed by women in a workplace?
- Does the typical corporate culture have some strong characteristics that differ significantly from Finnish work culture?
- How would you describe your home country's society?
Is your home country an agricultural, industrial or information society?
- Does your home country have a defined class system?
Are there significant regional differences in this regard?

Sales opportunities

- Is there demand and a market for the company's products and services in your home country?
- Is there demand for other products and services in your home country?

International networks

- Do you belong to any international networks, such as a student organisation?

Finding work in your study location

- Do you feel that the Finnish work culture suits you?
- What are your language skills like? Can you deal with everyday situations in Finnish?
- What kind of work would you like to do in the company and what kind of work suits you best?
- What benefits and positive qualities could you bring to the company?
- Are you interested in the company as an employer or a place for an internship?
- Are there any issues or matters you find particularly challenging with regard to finding work?

What are your main expectations for the event?
